* Note: China (Hong Kong SAR) - CLC 69 and Fund 71 were originally extended to Hong Kong as a dependent territory of the United Kingdom. Since returning to Chinese control on 1st July 1997, Fund 71 has been denounced and China has now ratified Fund 92 with respect to Hong Kong SAR only.

The table has no bearing on the political status of States or dependent territories and no responsibility is accepted by ITOPF for any errors or omissions.
